**Sensor
Cable
Series of 243297**

243297 series is a sensor cable in order to connect up a sensor head to a slug detector.

243297

Model Code : **243297** - **03** **BU**
① **②** **③**

① type of cable	
code	type
	standard type
W	thickness type(*1)

② length of cable	
code	length(*3)
03	3m
05	5m
08	8m(*2)
10	10m(*2)

③ color of cable	
code	color
BU	Blue
R	Red
W	White
Y	Yellow

*1 : Thickness type(W) is build-to-order product. In addition, color is only blue.

*2 : 8m and 10m cable are build-to-order products. If you want other length, please contact us.

*3 : Tolerance of length is $\pm 15\%$.

It will take about a week to deliver the build-to-order product.

<Note>For length of cable, please select 3m or 5m as much as possible.

If you use longer cable, it is open to the effect of electric noise, thus can be difficult to detect a slug stable.

We recommend using 3m or 5m cable for the slug detector.
